

Beautiful Game Soccer Academy / Raynham Summer Clinic

When

Monday, August 6, 2018 at 9:00 AM
-to-
Wednesday, August 8, 2018 at 12:00 PM

Where

Raynham Youth Soccer Fields
2254 King Philip St
Raynham, MA 02767

Our program will provide each player with the opportunity to enhance their individual skills, develop confidence in the small sided environment and have a ton of FUN. We will empower each player to think creatively and outside the box. We want players to problem solve and come up with solutions without being shouted at by a coach or parent. We will provide a playing environment where games and activities take the place of lines and lectures.

Players will be split into appropriate age, gender, and skill groups.

The clinic will focus on the 4 pillars of player development; technical, tactical, physical & psychological. Each day will include small sided games, soccer conditioning, attacking / defending and will also include and Speed, Power, Agility & Quickness training.

9:00 AM – 12:00 PM \$100 for half day campers ages 6 - 12

Beautiful Game Soccer Academy programs are structured, managed and delivered by BGSA Founder, John Barata. John was the recent recipient of his 7th Coach of the Year Award at Oliver Ames High School, currently holds the USSF "A" License, United Soccer Coaches Master Coach designation and US Soccer Grass Roots Instructor. John will be assisted by the professional coaching staff of Legacy Soccer Club and the Beautiful Game Soccer Academy.
