To complete registration on-line, go to our website and follow the link to the registration page. For registration to be considered complete, full payment must be received.

For families with more than two players, the maximum payment for the family is the sum of the fees for the two registrations with the highest fees. The other siblings can register for free (if registrations for all siblings are completed in full and received by the Registrar by the early registration deadline).

Registrations not completed in full and received by the Registrar by the early registration deadline will be subject to a \$15 increase per player.

Questions about registration? Contact our Registrar: **maz3425@aol.com**

Our programs are successful thanks to the efforts of all the families who contribute in many ways. Players' families are expected to provide at least two hours of service over the course of the fall season. An opt-out option is available for those who prefer not to volunteer. The opt-out fee is \$25 per family.
