SoccerPups

The SoccerPups program is an introduction to soccer for U6 kids (players in kindergarten born between 9/1/12 and 8/31/13). Sessions are on Saturday mornings. Early registration fee is \$40; after June 30th, fee will be \$55 per player.

MiniKickers

The MiniKickers program is an introduction to soccer for U5 kids (players in pre-school born between 9/1/13 and 8/31/14). Sessions are on Saturday mornings. Early registration fee is \$40; after June 30th, fee will be \$55 per player.

Primo League

The Primo League is for players in high school. Teams are co-ed; games generally on Sunday mornings. Fee is \$15.

To complete registration on-line, go to our website and follow the link to the registration page. For registration to be considered complete, full payment must be received.

For families with more than two players, the maximum payment is the sum of the fees for the two registrations with the highest fees. The other siblings can register for free (if registrations for all siblings are completed in full and received by the Registrar by the early registration deadline).

Registrations not completed in full and received by the Registrar by the early registration deadline will be subject to a \$15 increase per player.

Our programs are successful thanks to the efforts of all the families who contribute in many ways. Players' families are expected to provide at least two hours of service over the course of the fall season. An opt-out option is available for those who prefer not to volunteer. The opt-out fee is \$25 per family.
